November 23rd 2002

### 1. Nationals

We were gonna pay people who went to Nationals, but no one at the meeting (Me, Adam, Russell, Jeff, Shankar, Viet, Janet) went to Nationals (Well...Janet did, but you know what I mean.) So we didn't pay anybody anything. Except for that check I wrote to Adam for...wait. Maybe I shouldn't tell you about that...

### 2. Website

In our effort to help you procrastinate as much as possible, MaSCL continues to bring you up to the decade coverage of our events in lovely website form. Our newest website is located at: [web.mit.edu/mukherji/www/mascl.html](http://web.mit.edu/mukherji/www/mascl.html)

2'. Gossip (That's "two-prime" for all you non-math nerds.) This is where we decided to talk about MaSCL alumni, and, surprisingly enough, we didn't talk about Sterling. Instead, Janet mentioned that Katherine was in the news because she graduated with 672 degrees last year. And someone (I don't remember who. Sorry.) said that an all boys Catholic school hired Katherine so that Latin enrollment would go up. Then Adam laughed. Then I learned that I have 25MB of space on the BU server.
