

Hi everybody!!!

I know you've been on the edge of your seat waiting for the minutes, and I'm sorry that I wasn't as punctual as usual. I've been swamped, but I'm making time to inform you of the goings-on. So without further adieu, I present...

Small fragments of time (i.e. minutes) from Saturday, April 6, 2002!!!

I. Call to order.

I guess you could call it that. It was more of a "Is this all that's coming? I guess we can start." Those in attendance: Janet, Katherine, Tiffany, Erica, Adam, Russell, and Kevin. We sat in a circle around the food.

II. Business...before pleasure :-)

NON-CONVENTION STUFF

~Janet still has spots on the plane to Kentucky if you need a way to nationals. Contact her: rockberries@mindspring.com

~Discouraged by the amount of people in attendance, the group contemplates perhaps requiring an RSVP to meetings.

~Everyone should look at the MassJCL website just for fun:
www.geocities.com/massjcl .

~We should make a new officer position for Kevin. Shepherd, to be precise. His job will be "to shep".

~Any constitutional amendments that you would like to make need to be proposed to the group thirty (30) days prior to convention. That's Thursday for those who don't like subtraction. You can email them to us at mascl@nscl.org .

~Russell has proposed the following amendment to Article I, Section 2: Acknowledge the local chapter of Western MaSCL in the constitution. Also, change the Member-at-Large position to "Western Mass Liaison" to be elected by the whole group. Think about these. We'll be voting on them at convention. (Wow...we're just tooo darn official.)

CONVENTION STUFF!!!!

~Who's coming to convention? It is Friday, May 10 and Saturday, May 11. Our help is mostly needed Saturday morning from 9-11 to judge Creative events or Olympika. (Let it be know that I used logic notation in my minutes for "or" at this point.) Certamen is 10-11:30. More details to follow. You'll be getting a "formal" invitation (via Evite or the like). Please respond with whether you can come, whether you need transportation, when you'll be coming, and what you'd like to judge. Again, more details to follow.

~We started signing up for events. The people there got first dibs. Neener neener neener. That's what ya get for going to a Frisbee tournament,

Phil.

:-P Here's what we have so far. Email me tiffanyc@bu.edu with the spots you'd like to fill in, 'cause you know you want to.

"You wanna do a worm right here?"

"So you have to do it in a group."

"It's like team butt-walking." ~all by Russell

5. Kevin:

"We should have the annual telling of the story of how Kevin got elected."~Janet

"We could act it out."~Russell

"And then we could have a campfire and roast marshmallows."~Tiffany (Funny, I'm not a big fan of marshmallows.)
